ABOUT SCHOOL

St. Martin's High School, Magadi Road, Bangalore came into action in the year 1998-99 after taking over from the old management of Nirmala Education Society. It is a recognized Institution serving the rich and the poor with its own principles representing the logical evolution in excellence in the field of Education. The school provides Education for classes from Pre Nursery to X standard. Our aim is to support the saying!

“India finds her destiny being shaped in her class rooms”

We would like to present a full unmatched set of future citizens with the characteristics of high integrity and discipline embedded with social, moral and ethical values.

“Education is from the Womb to Tomb” So, providing the new strategies in learning is our motto Well-trained, well equipped faculty, always eager, with a thirst to learn new innovations in the field of Education, are the asset of our institution. So, we aim at modern views about education and our young budding students to mould themselves, to cater to the needs of the society in and around.

Scientific inquiry and curiosity about the world around us are boosted with a motivation to provide an opportunity to achieve the goal. Hence, academic studies are encouraged through a context of real requirements, applications and experiences

Individual attention, identifying the needs of an individual are the unique features of our institution. Hidden talents are tapped at the right time to draw out the stuff. Proper care, attention and guidance will be provided to nurture the talent.

Competitive exams are the path finders to encourage the younger generation. State level examinations by various organizations will be encouraged in this direction.

All these features are facilitated by an effective support and management system.

Encouraging the staff and the students with day to day activities to enable them to achieve goals, is the main aim of the Management.

Mrs. Uma Nagesh

Principal St. Martin's High School

SALIENT FEATURES OF OUR INSTITUTION

We have two new buildings consisting of 70 spacious rooms with an auditorium, which were inaugurated in the year 2002 and 2008.

PRAYER HALL

School activities begin everyday with a prayer to the Almighty. Patriotic songs and national anthem are a part of the prayer. Children are encouraged to read news papers. They are made aware of the pledge to the mother land at the assembly everyday.

PRE-NURSERY, L.K.G AND U.K.G SECTIONS

Early childhood education which encompasses three phases viz. Pre-Kindergarten, Lower and Upper Kindergarten, has an important place in the education system.

“As you sow
So you reap”

Keeping this saying in mind, we have a strong foundation available at Pre-Nursery to shape children as strong individuals both physically and mentally. Finally, a well equipped center is a base for this.

CHILDREN'S WORK SHOP

Different modules exhibited here kindle the brains of our students. Activity based learning presents opportunity to the children from Pre-Nursery to X std, depending on their needs and necessities. Practical knowledge demands curiosity to learn more and more.

LIBRARY

Books are keys to wisdom treasure. Our school provides a number of books on various subjects. World book, Encyclopedia and other volumes of general knowledge books cater to the needs of the students.

SCIENCE LABORATORY

We have a well equipped laboratory catering to the department of Physics, Chemistry and Biology. Well trained faculty assist and guide the students to conduct experiments in order to have practical knowledge of the subject.

COMPUTER LAB

Demands of the modern world find a way in our fully equipped computer lab with a number of systems and under the able guidance of our instructor. Children work on their own with systems and thus get the needed knowledge.

SPACIOUS CLASS ROOMS

Classrooms are spacious well lit, equipped with modern and comfortable furniture. This helps in better class room teaching and allows the teacher to give individual attention to the students.

DINNING HALL

Children enjoy sitting with their friends and sharing their lunch under the cool shade on the terrace. First, they offer a mass prayer to the Almighty for the day's food and then start their meals.

PLAY GROUND

In modern day the need for physical training and sports education in children has increased, keeping this in mind we have provided a spacious playground for physical activities. Kindergarten kids have a separate play area which emphasizes on safety. Sri Kuvempu Kala Mandira is the stage for cultural activities and other programmes. Flagpole and poles for house flags depict a fully equipped play ground. We have a separate play room for indoor games

Our students have brought laurels to our school by participating in Taluk, District & State level sports. Some of them have obtained a chance to participate in National level matches, under the able guidance of our faculty

EXTRA CURRICULAR ACTIVITIES

Hidden talents of children are tapped through extra curricular activities in the field of art, science & literature, through discourse, debates, essay writing and so on. A word of praise from 'Dr. Jack Vallentine, a Canadian, Eminent Scientist and naturalist' is a mirror, reflecting the talents of our children.

SCHOOL BAND SET

A well trained band set, under the guidance of an expert coach is an asset of our school. School functions are made colorful and blissful with the band set marching with the other troops. We also go on a procession with this set to give knowledge on various events to bring awareness in the locality. This acts as a visual mass media for the locality, arising a little interest in the field of music.

YOGA & SHLOKA CLASSES

'The greatest wealth of a person is health' Yoga, Pranayama and Meditation are aid to good health and mental alertness. Recitation of shlokas in Sanskrit purifies and enables the mind and intellect. Hence a serene atmosphere is created in our school.

ROTARY INTERACT CLUB

We see to it that the children involve themselves in many projects for the upliftment of the society, thus the motto of service is imbibed in them at a very young age and they are moulded into a responsible citizen. In respect to this Rotary club of High Grounds, have come forward to sponsor a Rotary Interact Club in our school.

HOUSE GROUPS

Children are divided into four groups which is Red, Yellow, Blue and Green, keeping in view the spirits to be nurtured. This helps children to have healthy competition in the field of studies, sports or any other activities.

Founder's Day

Founder's Day is observed on 14th December every year in remembrance of Late Mr.Vyramudi Gowda. He was a strong, committed leader who laid strong foundation for this institution with a great vision. On this occasion students donate daily needs, clothes & books to Orphanages.

SPANDANA HALL

We have an exclusive hall for meeting and some functions in general. The hall provides accommodation for about 150 persons at a time. The hall is equipped with podium and mike system with adequate seating arrangement.

COUNSELLING AND GUIDANCE

We have set up a counselling cell for the Scholastically Backward Children. Such children are Identified and set right under the able guidance of students counselling to come out of the vicious circle. Guidance and counselling for parents as per necessity, is also under our programme.

HEALTH AND HYGIENE

We have taken adequate care to provide a healthy atmosphere to our students. Separate, clean toilets for girls and boys are provided.

We have a scientific and hygienic method to provide drinking water. We have installed an Aqua guard which supplies pure water to students and staff.
